

United Way of Mower County and AMCAT (Austin Mower County Area Transit) are pleased to offer transportation to and from local preschools for 3 & 4 year olds in Austin.

An aide will be present on the bus at all times to help children on and off the bus from their home/daycare to their preschool program.

Named the “Rainbow Route” the bus route is designed around the pick-up and drop-off locations of children who sign up.

The cost per ride is \$1 or \$2 roundtrip. The bus will run Monday through Friday and will transport children to and from preschool. All forms are due to United Way July 1, 2011. Parents will be notified as to if their child has a seat on the bus no later than Aug. 10th, 2011. There will be a meeting at AMCAT to go over details, meet bus drivers and aides and purchase bus passes. Parents will receive an invitation to this meet and greet.

The form below should be completed by parents who would like to use the Rainbow Route to transport their child and/or children to and from preschool. Please complete the form below and return to the United Way of Mower County (301 N Main Street – US Bank building). Forms can be emailed to unitedml@smig.net or faxed to 437-7392.

Yes, I want to use the AMCAT bus to transport my child.

Parent Name

Primary Phone #

Child’s Name

Child’s Age (when entering preschool)

Home Address

Address where child will be picked up and dropped off (if not the same as the home address)

United Way of Mower County and AMCAT are pleased to offer transportation to and from local preschools for 3 and 4 year olds in Austin. Below is a list of Frequently Asked Questions (FAQ's) about how the program will work. If you have any additional questions please feel free to contact United Way at (507) 437-2313 or via email at unitedml@smig.net.

1. How will the route be designed?

The bus route will be designed around the children's identified pick up and drop off locations. The bus will only stop at those locations.

2. Will some be riding the bus with my child?

Yes, an adult aide will be on the bus at all times to help children on and off the bus and to be available in case of any emergencies. This aide goes through background checks and all necessary certifications (first aid, CPR, etc).

3. How long will my child ride the bus?

Most children are on the bus no longer than 30 minutes.

4. Can other community members ride this bus?

MNDOT prohibits AMCAT from denying community members from riding the bus, but the route is designed specifically around the children's pick up and drop off locations and, therefore, it would be extremely rare that an individual would want to ride the bus. Also, the aide will always be present when children are on the bus. The transportation program has been operating for two years and a community member has NEVER ridden the bus.

5. What about safety seats?

Safety seats are not required for children riding the AMCAT bus. Seat belts are provided and if parents would like their children to ride in a safety seat they must provide the seat. The aide will make sure that the child rides in the safety seat provided by its parent(s). Safety seats must be removed from the bus daily. Please make arrangements with your day care provider regarding the use of safety seats prior to bus service.

If choosing to use a safety seat the Graco Turbo Booster (which can be purchased from Target) is a nice option for the bus.

6. How much will this service cost?

Each ride is discounted at \$1 per ride. Therefore a round trip (to and from preschool) would cost \$2.

All bus passes will stay on the bus regardless of if your child is a scholarship or non-scholarship student.

If you are paying for your child's rides we encourage you to buy a bus pass rather than pay daily with cash and/or change.

7. How do I pay for my child's rides?

You can purchase a punch card from AMCAT that can be secured to your child's backpack OR a punch card/ride can be purchased from the bus driver. Rides must be purchased in advanced; billing is not an option.

8. What happens in the case of inclement weather?

AMCAT will follow the school district decision in case of inclement weather. If schools are closed, the bus will not run. If school closes early the bus will pick kids up early. If schools are two hours late the bus will not pick up for morning preschool classes.

A calendar will be sent to all parent(s) with dates the bus will not run.

9. Does the driver have any kind of telephone access on the bus?

Yes, the busses are equipped with radios and communicate between the AMCAT dispatcher and the bus driver.

10. What happens if an adult is not there when the bus delivers a child home?

The AMCAT dispatcher will be immediately notified by radio by the bus driver; the AMCAT dispatcher will immediately attempt to reach the parent or the emergency contact person identified on the registration information. The aide will stay with the child at the AMCAT bus garage until the child is picked up by an appropriate adult. If an appropriate adult cannot be located, Law Enforcement will be called and the child will be placed in emergency foster care by the Mower County Department of Human Services.

11. What do I do if my child does not need bus service that day?

If your child is sick, or will not be riding on his/her scheduled day parent(s) must call AMCAT to let them know a pick-up/drop-off is not required. Please call the dispatch line by 7:30 am at 433-2379 to notify them that your child will not be riding. Additionally, if the pick up/drop off location changes throughout the school year parent(s) must notify AMCAT of this change.

Bus schedules are set. AMCAT will not make pick up/ drop off changes on daily/weekly basis.

AMCAT has the right to cancel service if the number of children riding drops below 5. Therefore it is important that children ride unless they are sick as the route is designed around the number of children riding. All parents/caregivers will be notified before a decision is made. If the decision is made to cancel parents/caregivers will be given at least two weeks notice.

12. Can I send food/snacks with my child on the bus?

Due to safety and cleanliness issues food/snacks are not allowed on the bus.

13. What is the pick up/drop off procedure?

In order for AMCAT to accept a child on the bus the aide must visually see the parent/caregiver send the child out to the bus. When dropping off the aide will not release a child unless they visually witness a parent/caregiver accept that child.

14. What if we move during the school year?

If you move during the school year there is no guarantee that transportation will continue.

**If you have any other questions please contact Mandi Lighthizer-Schmidt,
Executive Director of United Way, at 437-2313 or via email at
unitedml@smig.net**
