YOUR GIFT CONNECTS THE DOTS

UNITED WAY
Mower County

United Way of Mower County invests donor dollars where they can make the greatest impact. Through community partnerships, we help fund programs that address our community's most pressing needs and create opportunities for everyone to succeed.

In 2026, UWMC invested in:

36 local programs

through **25** nonprofit partners

WHY IT MATTERS?

37%

of Mower County Residents are A.L.I.C.E.

Who is A.L.I.C.E.?

Asset Limited, Income Constrained, Employed. These are hardworking individuals and families who earn too much to qualify for many forms of assistance but not enough to consistently afford essentials like housing, child care, food, transportation, and healthcare.

They are our teacher's aid, childcare providers, retail workers, healthcare staff, and neighbors. They are working - but one unexpected expense can quickly become a crisis.

ALICE WORKS. ALICE CONTRIBUTES.
ALICE IS STILL STRUGGLING TO MAKE ENDS MEET.

HOW UNITED WAY HELPS

UWMC invests in local programs that help ALICE families meet immediate needs while building a stronger future.

YOUTH OPPORTUNITY

Creating opportunities for every child.

BASIC NEEDS

Providing stability when it's needed most.

FINANCIAL SECURITY

Building pathways to lasting independence

HEALTHY COMMUNITY

Strengthening the well-being of our community.

A CONNECTED COMMUNITY CREATES LASTING CHANGE

No single organization can solve our community's biggest challenges alone. That's why United Way brings together nonprofit partners, businesses, volunteers, and donors to invest in solutions that create lasting impact.

Together, we are helping ALICE families not only rise, but THRIVE.

When you give to United Way, you're not supporting one program - you're strengthening an entire network of local solutions.
